

Flying Geese Christmas Tree, Measures 18" x 23"

Fabric Requirements (Top Only, does not include borders):

- For the Tree (green) 1 fat quarter
- Background 3/8 of a yard
- Tree trunk – scrap
- For the Border cut 4 – 3.5" strips - 1 fat quarter

Requires Studio 180 Design:

Wing Clipper 1 & Magic Wand

We will make this Christmas tree by making one set of the 5' x 10' Flying Geese and trimming them down.

Tree/Green: Cut one 11.5" square

Background: Cut 4 – 6" squares

On the back of the 6" squares draw double lines using your magic wand.

Please refer to your Wing Clipper 1 instructions for trimming down & complete instructions on making flying geese.

Per Wing Clipper Instructions:

1st Trim: 5.5" x 10.5"

2nd trim: 4.5" x 8.5"

3rd Trim: 3.5" x 6.5"

4th Trim: 2.5" x 4.5"

Studio 180
Design

Background:

5x10 cut: 2 – 1.5"x5.5" strips (sew on each side of the flying geese)

4x8 Cut: 2 – 2.5"x4.5" strips (sew on each side of the flying geese)

3x6 Cut: 2 - 3.5"x3.5" squares (sew on each side of the flying geese)

2x4 Cut: 2 - 2.5"x4.5" strips (sew on each side of the flying geese)

Tree Trunk Cut 2.5"x 3.5"

Background Cut 2 – 3.5" x 5.5" (sew on each side of the tree trunk)
