BlockBusters

Jester's Delight

Made using Studio 180 Design's V Block®
and Four Patch Square Up® Tools

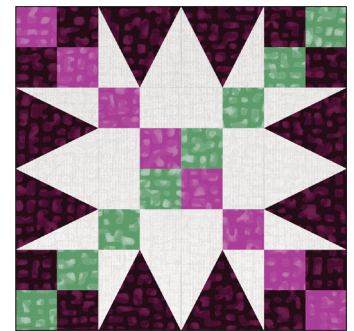

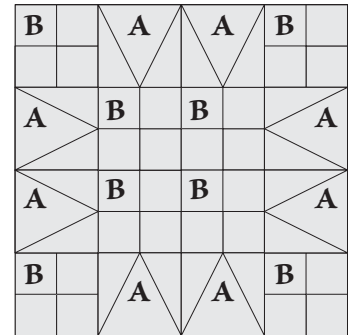

BlockBusters 2023 #80

Difficulty: ★★☆☆☆

The instructions you need to make the units required for this block came with your **Four Patch Square Up®** and **V Block®** tools. In the instructions, you will find charts, step by step graphics, and directions. Use the chart to find the information you need for the finished size of the units you want to make, then work your way through the instructions. Remember, if you haven't worked with the **Four Patch Square Up®** or **V Block®** tools before, we have free video demonstrations for you to view (available at Studio180Design.net). The videos will walk you through the process of making and trimming down the Four Patch or V Block units that you'll need to make this block.

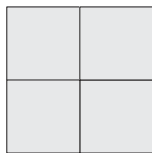

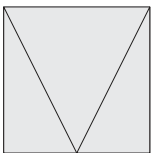

This is a fun block that will have you wanting to make a bunch of them to create your own interesting quilt design. Depending on how you want to color your block, you will need to pay attention to the color combinations and placement in your Four Patch when making the strip sets. This is a great block to play with color placement to get very different looking blocks. Since this is a relatively easy block this month, maybe challenge yourself to make the 4" block and work in miniature. This is an easy way to try something new without having to make a whole miniature quilt. Just a little taste to see what you think about working in miniature.

Unit Summary

Unit A

Unit B

Cutting Chart

Unit	# of units required	4" Block	8" Block	12" Block
A: V Block	8	1" finished size 1½" cut size	2" finished size 2½" cut size	3" finished size 3½" cut size
B: Four Patch	8	1" finished size 1½" cut size	2" finished size 2½" cut size	3" finished size 3½" cut size
